

Finish Packages

LAKE TRAIL TOWNHOMES

The Lake Trail design team has carefully curated three finish packages to provide high quality designs that are comprehensive, timeless and functional. Rest assured that we have considered every detail so you don't have to.

Each unit has been pre-assigned one of three finish packages so we encourage you to consider both the floor plan and finish package to be sure that not only the home's layout suits your needs and tastes, but the interior finishes and fixtures do as well.

The Parry

Boasting classic modern finishes and a light and bright color palette making for our most versatile design package. Unit 9.

The James

A clean, transitional style embracing a timeless mountain aesthetic and blending neutral and natural elements for a warm yet modern vibes. Unit 10.

The Idlewild

A delicate balance of warm wood finishes and modern fixtures compliment and enhance the mountain modern architectural design. Units 12 - 15.

Imagine it.
Live it.
